A Note from the President

We have lots of announcements to make as Spring is arriving in full splendor! First off, please attend our final dinner/program of the Spring on May 20th. There will be an exciting program featuring renewable energy leaders TJ Kanczuzewski and Tyler Kanczuzewski on the future of renewable energy. Our 19th annual Stan Klaybor scholarship recipient, Max Kirsch will be honored that evening as well.

We have a new website! Thanks to webmaster Kael Kanczuzewski, our local website www.izaaksb.com has a new look, faster response times and is easier to negotiate. This local website is a big key to learn about our IKES, recruit members and rent the hall.

We have new tables! We have replaced our wood banquet tables with new heavy duty plastic ones. We are selling the wood tables to all interested to make room for the new ones. Contact caretaker Casey Collier for details.

We have a new board member! Joel Bowers has joined our board of directors. Joel is an environmental lawyer and was just awarded the 40 under 40 South Bend leadership award. Welcome Joel!

May Dinner/Program

"Solar Energy Technology"

We welcome Mr. TJ Kanczuzewski, president of Inovateus Solar and Mr. Tyler Kanczuzewski, president of IRNA (Indiana Renewable Energy Association) to the IKES on Wednesday, May 20th. The pair will describe in detail the impact and benefits that solar energy and other renewable resources has on our environment.

As the availability of finite fossil fuel sources declines, renewable energy sources will be our only energy alternative for future generations. This is your opportunity to hear local leaders explain how we can make that important transition.

Remember that this our last dinner/program of the spring. Our next event is the annual Hog Roast featuring the Whistle Pigs in August. Date TBA

See you at the IKES!

Dinner starts at 6:30 P.M. program starts at 7:30 P.M.

Menu: tender pork chops with the trimmings

Cost: \$9 adults \$6 12 and under

Call in your reservations by Mon. May 18th at 272-3660

And The Winner is:

Max Kirsch. Max has been selected from a talented group of qualified applicants to receive the 19th annual Stan Klaybor Environmental Scholarship award. Max is a Senior from Penn High School and will be pursuing a degree in Ecology and Evolutionary Biology from Cornell University in the Fall. Mr. Kirsch seeks a career in field biology. Max will be receiving his award at our May 20th dinner/program. Thanks to the South Bend Central alumnus for donating the \$500 this year!
